

# Adopt Me!

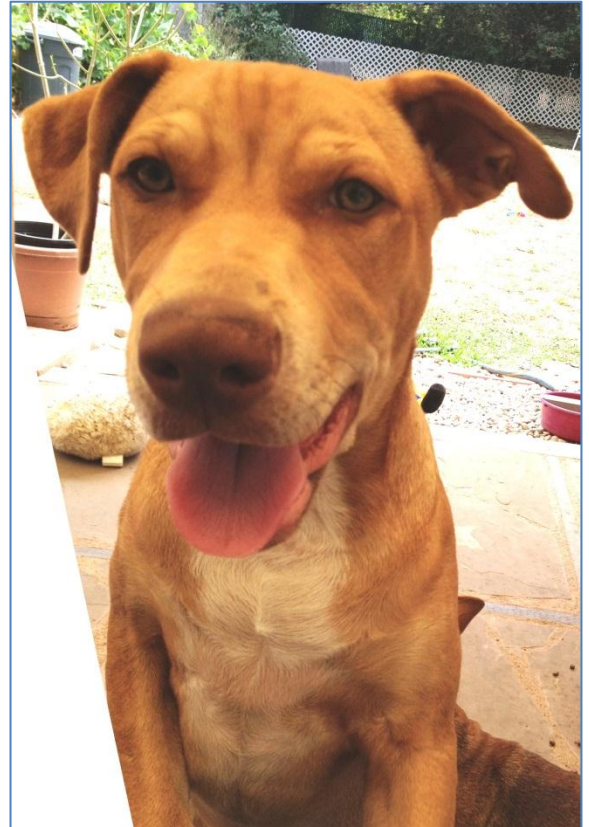

Hi, my name is Elf

I was born March 2, 2012. My mother is a little 18 lb corgi mix, and my father... well, we don't know who he is.

Some people have told me I look like Will Ferrell. They call me Elf because of the resemblance.

My mom doesn't like when I ask her questions about Will Ferrell. She says "I do not like to talk about that Talladega night."

I bet Will Ferrell would like me if we met. I love to run and play, and I can be really goofy, just like my da-- ... I mean, just like him.

I would love to have a home where I do not have to get the stink-eye looks I get from my smaller brothers and sisters. I am house-broken, have all my shots (incl. Rabies), and I'm scheduled for a neuter and microchip appt. in August, that will be no cost to the adopting family. I don't know what 'neuter' means, but I am told I will love it.

If you would like to have a Best Buddy for Life, you need to e-mail my human mommy Sue at [gliderbee@earthlink.net](mailto:gliderbee@earthlink.net) or call 626-616-1955, and come see me.

And if somehow that's you out there, Will Ferrell, reading this, I just have to tell you... when I first saw *Anchorman*, I wanted to lick you right in the mouth!

Love,

Your boy Elf
